" LA SOURCE " 2025

AOP SAINT-NICOLAS-DE-BOURGUEIL ROUGE

THE ESTATE

Founded in 1936 by Eugène Amirault, the Y. Amirault estate is situated on the right bank of the Loire river, limestone land favored for cabernet franc. Taken over in 1977 by the grandson Yannick Amirault, it has constantly evolved to defend an organic and perfectionist cultivation of the vine. Today, it is the great-grandson Benoît Amirault who cultivates the ten crus spread over the village of Bourgueil & Saint-Nicolas-de-Bourgueil (19 hectares in total). Each terroir is gardened according to the lunar cycle, picked by hand and then aged individually in casks or sandstone jars. And as always, 100 % of our wines are produced with grapes from the estate only (no purchase of grapes).

THE TERROIR

Sand and gravels on the terrace around the village of Saint-Nicolas-de-Bourgueil.
Most draining and early conditions of the estate.
45 year-old vines on average.
Full tillage of the soil.

WINEMAKING

100% hand harvesting.
Double sorting of the grapes with destalking (no crushing).
Alcoholic fermentation in open vats (soft maceration during 3 weeks).
Discrete resting in oak vats for 5 to 10 months.

THE VINTAGE

In 2025, the earliness matched the records of 2018 with an exceptional quality potential. The second half of the season tempered any excesses, resulting in a vintage of great precision, with vibrant fruitiness and a fleshy profile.

NOTES

The frivolity of Saint-Nicolas-de-Bourgueil cultivated with our highest standards. A scrumptious style of wine, easy to pair in all situations.
To drink now through 2030.
